Johanna:

The actions are listed in the order in which they're supposed to occur. Is there something out of sequence?

Thanks,

Laura

Looks great Cynthia I would just suggest that it be put in the order the notifications will proceed (I know it's a pain but will prevent confusion!). Also I reached out to Martin to ask about the DD notifications so will let you know what I hear. Johanna

All.

I added little bit of detail so we don't forget Regions 6 & 9 and also to reflect the ComStrat. I'm going to coordinate with Robert on our state and local elected officials list and our Website updates.

Looks good to me, though I/we need to be flexible as the DC cong. notifications may get delayed, or they will go out sooner than an hour lead time. thanks for drafting this!!
